

Dog Food

This recipe will make 8 medium trays of Dog Food *

[Live. Life. Simple's: Freeze Dried Dog Food Recipe - Homemade vs. Store Bought](#)

Ingredients:

2 lbs Hamburger	1-2 cans of Pumpkin (substituting 1 can Pumpkin for 4 Sweet Potatoes)
6 lbs Chicken both dark and white meat	10 Sweet Potatoes
4 lbs Rice cooked	1 can of Green Beans or peas
2 heads of Broccoli	6 Apples cored
4 ears of Corn	3 lbs Carrots
2 dozen eggs	2 Large containers of Cottage Cheese or Yogurt

Directions:

1. Put Beef and Chicken in an Instant Pot with 1 cup of water. Cook through.
2. Put the cored apples, through a blender or food processor,
3. Slice corn off of the cob, can use canned corn instead. Chop the broccoli, carrots, and sweet potatoes. Cook until just tender either on the stove or in the oven.
4. Cook the rice in the broth of the cooked meat and water, in your Instant Pot.
5. Puree the cooked sweet potatoes.
6. Scramble and cook the eggs, 12 with yolks, and remove the yolks from 12.
7. I would divide each of the prepared foods into 4ths or 5ths. Add the remaining ingredients to each section as you combine in a large stand mixer, blender, or food processor.
8. Dividers would work great in this recipe, to have the food divided into servings.
9. Freeze until solid, and then Freeze Dry.
10. Store Appropriately (See Tips and Tricks for storage help)

Cycle Time: 52 hours

Rehydration: Add water, mix let sit, and check until desired consistency is reached
