

Freeze Dried Skittles Martini

[Adventures in Freeze Drying: Freeze Dried Skittles Martini](#)

Ingredients:

Vodka
Sweet and Sour Mix
Lemon Lime Soda
Skittles (optional)
Freeze Dried Skittles

Directions:

1. Infuse Vodka with Skittles, by adding skittles to the vodka and letting it sit for 4 hours or until skittles dissolve (you can use freeze dried skittles for this too, but not required)
2. Optional step to strain the Vodka to get some of the gritty out
3. Powder freeze dried Skittles in a blender, and then use to rim the glass by dipping the glass rim in water, and then the skittles dust
4. To a cocktail shaker add 1 oz of Vodka and 2 oz of Sweet and Sour, ice cubes, and then put the lid back on and shake well.
5. Add 3 oz of lemon lime soda to the shaker, replace lid, and pour into your rimmed glass
6. Enjoy! Please drink responsibly
